

## BEST IN ENGLISH 2025/2026

For many years, our school has been attending the international competition Best in English. Best in English is a unique online English language competition within the EU and beyond. It is opened to all high schools and their students aged 14-20. It is a great language benchmarking tool. The best students win a 2-week trip to Canada.

This year we had 35 participants of 3<sup>rd</sup> and 4<sup>th</sup> year students.
