## Skiing in Africa

27-08-2021 07:00

When you think of Africa, you probably imagine white sandy beaches, pyramids, the Sahara, or lions wandering across savannas. Surprisingly, the continent is also attractive for skiers who are looking for more unusual **destinations**.

There are five mountain ranges in Africa which have enough snow for skiing. One of them is the mountain kingdom of Lesotho in southern Africa. People are surprised that the snow there is so very good. Under the bright African sun, skiers and snowboarders can enjoy the snow like in the Alps.

Last year was very bad for the resorts in Lesotho. Many places closed because of the coronavirus epidemic, and it was not possible to travel to Africa. Usually, around eighteen thousand people visit the place every year. In 2020, there were almost no visitors, and this year, the number of visitors is about a half of the usual number.

**E** What can be done about it?

**F** Why is this a problem?

**G** How many dogs at this age do people put away?

**H** What time does it happen?

### Your teenage dog ... is just like you!

\_\_\_\_\_?

Sometimes teenagers don't. But it's not just human teenagers – teen dogs are the same!

We asked a famous TV vet about this:

\_\_\_\_\_?

Totally. Between the ages of six and twelve months, dogs enter puberty. They are not puppies and they are not adult dogs.

\_\_\_\_\_?

They behave just like teenage kids. Sometimes they don't listen to their owners, they don't want to train, they are rebellious.

\_\_\_\_\_?

It can be a problem for the owners - and the dogs, too. The dog isn't a cute baby anymore, and it can be difficult to control the dog. Many people give up their dog at this age.

\_\_\_\_\_?

In Great Britain it's up to 15,000 dogs every year, and that's a terrible number.

\_\_\_\_\_?

Dog owners need to know that their dogs are in a phase, and it will soon be over.

Thank you for the interview, and good luck to all the teenage dogs!
