B. **READING COMPREHENSION: Read the text and decide if the sentences below are right or wrong. If there isn't enough information, choose the answer 'doesn't say'. Circle your answer.** max. 8 pts.

## THE RING AND THE FISH

Thomas and Inger, who live in Sweden, are the happiest couple in the world. Two years ago, they were on a boat a few kilometres from the beach. Thomas asked Inger to marry him and he gave her a gold ring. He wanted to put the ring on Inger's finger, but he dropped it and it fell into the sea. They were sure the ring was lost for ever.

That is, until last week, when Mr Carlsson visited them. He has a fish shop and he found the ring in a large fish which he was cutting up for one of his customers. The fish thought the ring was something to eat. Mr Carlsson knew that the ring belonged to Thomas and Inger because inside the ring there were some words. They were, 'To Inger, All my love, Thomas'. And so Mr Carlsson gave the ring back to them.

Inger now has two rings. When they lost the first one, Thomas bought Inger another one. But they think the one the fish ate is the best one.

1. Thomas and Inger's home is in Sweden.    Doesn't say    Right    Wrong
2. Thomas asked Inger to marry him when they were on a boat.    Doesn't say    Right    Wrong
