TEXT Shopping Hours in Britain

41. Until a few years ago, shops opened at nine o'clock in the morning and closed at half past five or six o'clock in the evening 42. In many towns, shops were closed on Wednesday afternoons. On Sundays, nothing was open. But now some shops are open longer hours. Some big shops and many supermarkets never close! 43.

For people who work long hours or people who often work at night or early in the morning, like doctors, the new shopping hours are good. If someone finishes work at five o'clock in the morning, they can go to the supermarket on their way home and buy some breakfast or a newspaper or anything else they may need.

44. Some people say that Sunday is a holiday – who wants to work in a supermarket on a Sunday? But shops are very busy at the weekend and longer shopping hours are here to stay.
